§ 101.407 May the Administrator waive these regulations?

The Administrator may waive any provision of §§101.400 through and including 101.406 in an emergency.

Subpart E—Small Business Energy Efficiency

§ 101.500 Small Business Energy Efficiency Program.

(a) The Administration has developed and coordinated a Government-wide program, which is located at <http://www.sba.gov/energy>, building on the Energy Star for Small Business Program, to assist small business concerns in becoming more energy efficient, understanding the cost savings from improved energy efficiency, and identifying financing options for energy efficiency upgrades.

(b) The Program has been developed and coordinated in consultation with the Secretary of the Department of Energy and the Administrator of the Environmental Protection Agency, and in cooperation with entities the Administrator has considered appropriate, for example, such as industry trade associations, industry members, and energy efficiency organizations. SBA's Office of Policy and Strategic Planning will

be responsible for overseeing the program but will coordinate with the Department of Energy and EPA.

(c) The Administration is distributing and making available online, the information and materials developed under the program to small business concerns, including smaller design, engineering, and construction firms, and other Federal programs for energy efficiency, such as the Energy Star for Small Business Program.

(d) The Administration will develop a strategy to educate, encourage, and assist small business concerns in adopting energy efficient building fixtures and equipment.
